The Department of Boating and Waterways, through its Subvention Program, provides funding for the expansion of boating operations on State waterways. This is the fifth year the Sheriff's Department has applied for funding under this program. In FY98/99 the County received \$225,000; in FY99/00 the County received \$190,000; and for FY00/01 the County received \$235,000; funds for FY01/02 have not yet been awarded.

The County's application, in the amount of \$487,683, includes the estimated net County cost to operate the boating enforcement program (estimated program cost less estimated boat tax revenue). The Department of Boating & Waterways determines awards based upon the amount of funding available and the number of applications received. This grant application is for Fiscal Year 2002/03.
